Organisations represented in 2026

Business of Competition 2026 brought together participants from leading companies, European and national institutions, law firms, economic consultancies, litigation funders and specialist organisations.

Allegro.eu	Temu	ČEZ	EuroCommerce	Open Markets Institute
European Commission	OECD	Austrian Federal Competition Authority	Czech Competition Authority	Slovak Competition Authority
A&O Shearman	Dentons	Willkie Farr & Gallagher	Havel & Partners	Schönherr
STEK	Frontier Economics	FTI Consulting	Copenhagen Economics	CDC Cartel Damage Claims

Selected organisations represented by participants at Business of Competition 2026. Inclusion does not imply sponsorship, partnership or endorsement.

Two specialist conferences. One European network.

Business of Class Actions Europe

PORTO | 19 FEBRUARY 2027

A one-day European conference focused on how collective actions work in practice. The programme will examine cross-border cases, qualified entities, settlements, economic evidence, litigation funding and emerging risks for companies.

Expected audience: 50–80 participants

Business of Competition

PRAGUE | APRIL 2027

A two-day conference bringing together competition practitioners, economists, regulators, businesses and litigation funders for practical discussions of enforcement, private litigation, digital markets and their impact on business.

Expected audience: 80–100 participants

WHY PARTNER WITH US

Curated Audience

Direct access to senior professionals from law firms, companies, funders, consultancies and associations across Europe.

Practical Content

Case-based discussions addressing current market developments, business risks and real litigation experience.

Meaningful Connections

A focused boutique format designed to create genuine interaction between partners, speakers and delegates.
